PROFESSIONAL SUMMARY

Data Analyst & Full-Stack Developer with 14+ years of leadership experience in banking and a strong foundation in Data Science, Web Development, and Cybersecurity. Skilled in Python, SQL, JavaScript, React, and Node.js, with experience building data-driven applications and automation solutions. Contributed to €5M+ in deposits and ~30% portfolio growth in banking, coordinated a community of 30+ volunteers and 50+ students at MigraCode, and delivered 70+ technology training sessions to 60+ learners. Passionate about transforming data into actionable insights and developing technology solutions that drive measurable business impact.

TECHNICAL SKILLS

Programming

Python, JavaScript, Tyscript

Data Analytics & Data Science

SQL, PostgreSQL, Pandas, NumPy, Matplotlib, Jupyter Notebook, Data Cleaning, Data Visualization, Exploratory Data Analysis (EDA), Machine Learning Fundamentals

Web Development

HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Node.js, Express.js, REST APIs, Bootstrap, Tailwind CSS

Databases

PostgreSQL, MongoDB, SQL, NoSQL

Cybersecurity

SIEM, Wireshark, Nmap, Metasploit, Incident Response, Threat Analysis, OAuth, JWT

DevOps & Tools

Git, GitHub, Docker, Linux, Bash, Agile/Scrum

Design & Collaboration

Figma, Canva, UX/UI Design, Technical Mentoring, Project Coordination

PROFESSIONAL EXPERIENCE

Tech Education Coordinator

MigraCode – Open Cultural Center | Barcelona, Spain
Feb 2026 – Present

- Coordinate educational activities for Full-Stack Web Development programs.
- Support students through code reviews, debugging sessions, technical guidance, and mentorship.
- Collaborate with instructors and volunteers to improve learning outcomes.
- Manage communication and coordination between 30+ volunteers and 50+ students.
- Contribute to curriculum delivery and technology-focused community initiatives.

Volunteer IT & Technology Teacher

Fundación Prau | Barcelona, Spain
2024 – 2025

- Designed and delivered more than 70 digital literacy and technology workshops.
- Trained over 60 learners in IT fundamentals, productivity tools, and introductory programming.
- Adapted technical content for diverse audiences with different learning needs.
- Promoted digital inclusion through practical and accessible technology education.

Volunteer Full-Stack Development Assistant

MigraCode Barcelona
July - 2024

- Assisted instructors during a Full-Stack Web Development bootcamp.
- Supported students in JavaScript, React, Node.js, and database projects.
- Conducted code reviews and debugging sessions.
- Facilitated collaborative learning and agile development practices.

Branch Manager

BMCE Bank | Tangier, Morocco
2008 – 2022

- Managed daily operations of a full-service banking branch.
- Led multidisciplinary teams and supervised client portfolio activities.
- Contributed to more than €5 million in deposits and approximately 30% portfolio growth.
- Produced financial reports and business performance analyses.
- Applied data-driven decision-making to improve operational efficiency and risk management.
- Ensured compliance with banking regulations and internal controls.

Email Marketing Manager

Elysium3 | Tangier, Morocco
2005 – 2007

- Managed end-to-end digital marketing campaigns.
- Conducted A/B testing and audience segmentation.
- Monitored KPIs and campaign performance metrics.
- Delivered analytical reports to support business decisions.

PROJECTS & LABS

Designed and developed hands-on projects focused on web development, automation, data extraction, networking, and cybersecurity. Applied technologies including Python, JavaScript, React.js, Express.js, SQL, Nmap, Paramiko, and BeautifulSoup to build practical solutions that automate tasks, analyze data, assess security configurations, and strengthen software engineering skills.

EDUCATION & CERTIFICATIONS

IBM Data Science Professional Certificate (In Progress)

IBM / Coursera

Topics: Python, Pandas, NumPy, SQL, Data Analysis, Data Visualization, Machine Learning, Statistics, Data Wrangling, Jupyter Notebook, Data Science Methodology

Education & Innovation International Training Course

International Training Center, Prague, Czech Republic
May 2026

Topics: AI Tools for Education, Generative AI, Digital Innovation, Flipped Classroom, Educational Technology, Project-Based Learning, Collaborative Learning, Student-Centered Learning, Digital Transformation, Instructional Design

Google Cybersecurity Professional Certificate

Google / Coursera
2024

Topics: Cybersecurity Fundamentals, SIEM Tools, Incident Response, Risk Management, Network Security, Linux, Security Operations (SOC), Threat Detection, Vulnerability Assessment, Security Frameworks

Full-Stack Web Development Program

MigraCode Barcelona
2023 – 2024

Topics: HTML5, CSS3, JavaScript, React.js, Node.js, Express.js, REST APIs, PostgreSQL, MongoDB, Git, GitHub, Agile Development, Software Testing

IBM IT Fundamentals

IBM / Coursera
2025

Topics: Computer Hardware, Operating Systems, Networking Fundamentals, Cloud Computing, Cybersecurity Basics, IT Support, Troubleshooting, Software Development Fundamentals

Google IT Automation with Python

Google / Coursera
2023

Topics: Python Programming, Automation Scripts, Bash Scripting, Git, GitHub, Configuration Management, Regular Expressions, Troubleshooting, REST APIs

Brevet Bancaire – Chargé de Clientèle

BMCE Bank Academy
2016 – 2017

Topics: Financial Analysis, Banking Operations, Credit Assessment, Risk Management, Client Relationship Management, Financial Products, Compliance, Sales & Advisory Services

IT Management Technician

ITG Morocco

2003 – 2005

Topics: System Administration, Networking, Database Management, Computer Hardware, Technical Support, Information Systems, Operating Systems, IT Infrastructure
